Sir:

The following document is forwarded herewith for appropriate action by the U.S. Patent and Trademark Office:

1. Part B -- Fee(s) Transmittal.

The fee believed to be required for consideration of this submission is the small entity fee of \$700.00. The applicant has claimed small entity since the original filing of this application. The Fee(s) Transmittal form that is attached indicates the application at large entity status. This is incorrect and the applicant has checked the box indicating that the status be changed. The Commissioner is hereby authorized to charge such fee, and any other Fees necessary for the issuance of the referenced application as a U.S. patent, to Deposit Account No. 501968.

Regards,
